Our unit, 35TH Air Defense Artillery Brigade is on Osan, Gunsan, Gwangju, and Suwon Air Bases. Activities such as BOSS, is not advertised much except for what the unit voluntarily publishes, what is on AFN, and what is in the Morning Calm newspaper.

One of the fastest ways to help Army Soldiers stationed on Air Bases is to issue free movie coupons to Soldiers monthly since movies are free for Soldiers everywhere else in Korea.

I would like to see a much better Weight Room on post. I believe it's not so great, yes, they have brought in new equipment. But, the gym is way to small for the amount of equipment and people who workout there. Also, some of the old equipment that was replaced, was much better and I was very disappointed that it was taken. The money should have been spent making a bigger facility rather than getting new equipment? I thought fitness was a main concern with the morale of our troops? Having a better, more modern gym would boost morale greatly at Camp Humphreys in my opinion.

We do not have any MWR services on our post. None that are really advertised anyways. All we have is our CAC and it's so old no one really wants to go there. So I am sure all of these things are great but we don't really get to experience them so it's hard to answer these questions.

I completed this survey because the nice people at ACS asked me too. They are the most helpful people on Camp Humphreys. I wished units supported this organization more. I am etsing in a month. I believe surveys like this have very little impact. I also believe this survey is a "check the block" for some high ranking officers OER. I think Units need to be more supportive of ACS and MWR.

I AM CURRENTLY STATIONED AT CAMP SUWON KOREA, HOWEVER IT WAS NOT LISTED FOR AREA III. MOST OF MY LEISURE TIME IS SPENT AT HUMPHREYS ON THE WEEKENDS AND OSAN DUE TO THE FACT THAT CAMP SUWON IS A ROK ARMY BASE. IT HAS BEEN EXPLAINED THAT DUE TO SUWON BEING ROK ARMY, THERE ARE MANY FACILITIES THAT ARE NOT PROVIDED TO US AS THERE WOULD BE ON AIR FORCE BASES HERE IN KOREA. THERE ARE MANY FACILITIES THAT WE HAVE HEARD OF THAT ARE ON THE BASE, BUT ARE OFF LIMITS TO ALL ARMY PERSONNEL. WE ARE RESTRICTED TO ONE SIDE OF THE POST WHICH COVERS LESS THAN TWO MILES FROM THE MAIN GATE TO THE ON POST BUILDINGS, AND OUR MOTORPOOLS. I FEEL THAT WE SHOULD HAVE AT LEAST EQUAL OPPORTUNITIES AS PROVIDED BY AAFES THAT ARE SUPPLIED ON OTHER POSTS. WE HAVE A SNACK BAR THAT ONLY INCLUDES ANTHONY'S PIZZA, AND WOULD LIKE TO HAVE MORE VARIETY SUCH AS BURGER KING, ROBIN HOOD, POPEYES, OR TACO BELL. OUR BX FEELS LIKE A SHOPPETTE TO US, AND PROVIDES ONLY BASIC ESSENTIALS THAT WE NEED TO SURVIVE ON. WE WOULD LIKE TO SEE THE BX EXTENDED TO PROVIDE MORE SELECTION. LASTLY, ALL POSTS I HAVE VISITED HAVE AN AAFES CONTRACT FOR TAXI SERVICE. WE HAVE NO ON POST SHUTTLE, HOWEVER, THE ROK ARMY IS PROVIDED TRANSPORTATION, AND THE SOLDIERS HERE DO NOT GO OUT MUCH TO PARTICIPATE IN MWR ACTIVITIES DUE TO THE FACT THAT THE SIMPLE WALK TO THE GATE IS TIRING. I GOT HERE IN JANUARY AND ALMOST IMMEDIATELY, MY MORALE DECREASED WHEN I SAW WHAT WAS AVAILABLE AT CAMP SUWON. THE CAC IS LOSING BUSINESS BECAUSE SOLDIERS ALWAYS GO TO OTHER POST TO PARTAKE IN FESTIVITIES AND EVENTS, AND I FEEL THAT IF ENOUGH FUNDS WERE GIVEN TO THIS BASE, THERE COULD BE A COMPLETE TURN AROUND IN SOLDIER MORALE. I HEARD BEFORE I GOT HERE THAT CAMP SUWON WAS THE PLACE TO BE, NOW IT'S BEEN TITLED AS THE PLACE TO LEAVE. PLEASE HELP US INCREASE SOLDIER MORALE BY SUPPORTING CAMP SUWON AIR BASE.

I would love to see some kind of bouldering wall put up in the GYM or CAC. This is a wall about 10-20 feet long and 8-10 feet high that would allow you to practice rock climbing. There is very little equipment and up keep that is needed once a wall is put up. Most MWR's have a mobile wall but they are not easy to get checked out and used. A bouldering wall can be used any time the facility is open.

I seen much concerts offered in Camp Humphreys but I never seen a christian concert offered. Maybe Carmen, DC Talk, In4Life, or maybe some Fredd Hammond and Radical for Christ. This month you have skid row and quiet Riot coming I hope for some changes and some varity in the choses of the next few months. I bet I'm not the only person that will go see these people play at Camp humphreys. Also i never seen no offers made to go jet skiing on a lake or beach or maybe some para sailing, or some boating trip(fishing deep sea). Its the summer now and id love to go like on any of these trips. I never tryed water skiing before, if they had lessons and a trip to follow that would be wonderful too. On these trips I do hope we all allow the spouses to come as well. I seen a few things that were only available to soldiers i like that but lets see if we can include our spouses as well.

On weekends, I usually rent a car and explore Korea. However, this opportunity is not available to most Soldiers because they are not allowed to drive.

I think if more advertising was done for weekend trips, that it would benefit both MWR and Soldiers. I know most Soldiers don't know of trips that are happening. Mostly they only go to the villa and drink beer in the bar. However, maybe if more advertising was done for trips to explore Korea, they would go.

What I do use I feel is pretty good. No complaints, except for maybe the people that work for MWR. Sometimes I feel like the employees of the facilities are a bit negative, for reasons I have not been able to figure out. I have noticed that Koreans off post generally speaking seem more friendly than Koreans ON post. Americans on post seem friendlier than Koreans, in terms of service.

It should also be noted that I am a shift worker. My schedule rotates every month from night to day and I work weekends very frequently. I would take advantage of more of what MWR has to offer except I do not have the benefit of having a normal schedule. This bothers me but of course, MWR really can't do anything about it.

But I want to mention that I would go on more weekend trips and BOSS events if I had more stable 9-5 'normal person' schedule.

From what I can tell, I think you do an outstanding job. I mostly use the movie theater, the library, the fitness center, and the bowling alley. I feel like you do a really good job with these services.

Thank you and keep up the good work.

The food on this Camp is not very good at all. The servers are not nice at all. BOSS is a good thing on this Canp for thier soldiers. The bowling ally is already too small for the soldiers on this post. The CAC is very nice, the BOSS program is a great thing. Theres seems to be a lack of help from the MWR Marketing for the BOSS Program. no flyers on post about events, nothing in the mwr booklets or banners. It seems that senior soldiers officers, first sergeants and other senior soldiers do not really support the program with thier soldiers.

There is really not point in having the ACS here. I get all my information from the CAC or MWR services just fine. I feel like having the ACS does not benefit me what so ever.

Overall Comment

When I first got here I saw the MWR building and decided to walk in and look around. As soon as I walked in everyone was very friendly and asked me if I needed help with anything. When I told them I was new here and was just touring around the post, they sent me to the marketing office where I got a leisure informer which was very helpful and informed me on many upcoming events. It was nice becuae they also recommended for me to go to the CAC and ask them if I had any other unanswered questions. They were very friendly and helpful.

The MWR needs of soldiers in Korea is very different from those in the states. There many things that I would use hear that I may not use back in the sates and visa versa. I am on K2 so it is a little different than being on many of the other installations in Korea. The ONE thing that I am VERY VERY unsatisfied with is the fact that I am treated like a second class citizen every time I go to one of the club/eating facilities on a US Army installation. Whether it be the Evergreen Club at Camp Walker or any restaraunt at the Dragon Hill. Korean citizens are a catered to, and given a greater priority over US personnel! Please feel free to contact me about anything in this survery.

The quality of the food at the nitewatch Cafe is OK, but the waitress service there is EXTREMELY POOR. I now make it a habit of ordering a second drink at the beginning of my meal because it is a tedious task to try and get the waitress to ever visit your table after the meal has been delivered. I have also waited for 20 - 30 min after completion of my meal tring to get the waitresses attencion so she can bring me my check. I have lived on Camp humphries for almost a year and a half and the service has been the same since I arrived.

This survey would have been better if it addressed issues at my location. It repeatedly asked questions about Camp Humphries which is 2 hours away. Here at Camp Long, life sucks!!!! The soldier's living conditions are the worst I have seen in 22 years of service, and there are very little if any MWR activities. Those that are offered usually have a low turn-out because everyone here leaves on the weekend to go to Yongson or Osan.

I would like to see an expansion/addition to the Gym equipment/facilities. Also, several BOSS events have fallen on days during which my unit is "deployed" to a training area or to perform operations away from our home area (away from Pyeongtaek). I would be beneficial for trips to be planned in duplicate, where a trip (for example, the Busan Beach Blast) be scheduled to occur twice within a month, giving all Soldiers an opportunity to attend, regardless of duty status.

Additionally, I feel that there should/could be more MWR/BOSS sponsored events held on Cp. Humphreys. This would save money for transportation, and increase the support by the local communitiy due to its convenience.

Nevertheless, I feel that the MWR and BOSS reps have done an outstanding job supporting and encouraging the programs and participation, and I thank you and them for that.

My unit doesn't provide us with enough information about MWR trips or activities so it is difficult to participate, the problem is compounded by the fact that we work shifts and when we have days off during the week we obviously can not participate in the MWR activities on the weekend. Whats worse is the fact that when we do try to participate our schedule is not flexible because of duty requirements so no one from my section participates in BOSS, ACS or MWR activities.

Camp Humphreys needs a Theater Program. There are so many young adults here (and by young I mean UNDER 40) and little for adults to do. Theater Programs provide an artistic outlet and are a fun way tot get involved in your installation.

The Army Lodge has VCRS in the rooms. WHY????? VCRS are OBSOLETE! NO ONE sells VIDEOTAPES! It is just as cost efficient and SO MUCH better to have DVD players in the rooms.

Food service could be much better if the facilities would take the initiative to change their menus periodically. As an example, I dine at the Nightwatch often and enjoy the food and service there -- but have often requested that onions be included on the salad bar. To date they are not. I've also bemoaned the fact that there is not a club sandwich on the menu although one would think that an easy thing to add and well within the options of the kitchen. I've been asking since November -- no action. I have requested several times that the baked beans on the delivery menu at Tommy D's Triple Play be made available to those of us who dine in (since I live off post I can not take advantage of the home delivery service. No response and if I mention it again when I order it's as though I've created a whole new level in the word trouble.

The problem is that there are a very limited number of choices to make on Camp Humphreys as far as dining establishments are concerned. Those of us who do make constant use of the facilities do get tired of the same old thing day-after-day. Shake up the menu and keep the customer happy -- else we may start brown-bagging.

It would be great if MWR offered dance classes, such as line-dancing, salsa, meringue, hip-hop, etc. In addition, it would truly be wonderful if an indoor playground was built for toddlers to play at during inclement weather.

It is my opinion that tearing down people's homes to build a golf course is completely unjustified! The expansion of Camp Humphreys should only go to providing military facilities directly related for the defense of this country and region!
 The only people who will use this golf course will be the upper brass who are moving down here from Seoul and Korean businessmen. This concept is as stupid as taking away the helicopter training land to put in a waterslide park!
 We are never fully going to be able to pull out of this country if we can't remain focused on the reason to be here. We are not here to provide luxury benefits to a select few!
 Small-area recreational facilities will adequately provide off-duty relaxation activities for soldiers here on a normal 1-2 year tour. For those who have been here longer than that and are bored by such facilities, probably should return to the States instead of hiding out here on the Korean peninsula with their juicy girls and monetary kickbacks. It would be most interesting to follow-up on these same people whose moronic decision-making skills and poor leadership qualities which seem to flourish here and find out if they could actually be able to maintain a military or civilian job back in the United States. I sincerely doubt it.

#61-62: During our free-time my family enjoys going to Korean museums, folk parks, local festivals and exploring their National and Provincial parks and sites of attraction. Our goal is to learn as much about the local society while we have the opportunity to live in it. We research these locations by ourself or ask locals. It would be more beneficial to the US taxpayers and Koreans alike if more recreational opportunities were developed off-post for the whole community enjoy and not funded by our US taxpayers and the stolen pennies from AAFES.

I have seen a lot of good changes in the three years I've been at Camp Humphreys. We have gotten a bigger PX and commissary, which makes life good. The occasional on-post activity for the family (Spooky Hallow, Eggstravaganza) have been pretty good. What I would like to see are more places to go and just hang with my family. Some kind of park or picnic area that was clean, a nice grassy area. We have fun bowling and at the putt putt course. But the Nightwatch gets old after a while. A new restaurant would be good. It's very hard being in Korea with young children with no place to take them. There is absolutely NO place to go off post (at least around Anjung-Ri.) You have to travel to get anywhere good. It would be nice to have a few places set aside for the families on post. They put in some new playgrounds by family housing, but they are all right together. They should have something closer to the gate.

I think safety is important - but there are way too many speed bumps and road blocks with the speed limit being 10 miles an hour. It's really frustrating driving on post - and I don't think it makes it safer to have road blocks everywhere. The only accident in our car has been from hitting a road block when trying to maneuver going off post.

More activities for people who enjoy the outdoors, such as short bicycle, hiking, camping, birdwatch, nature-related field trips, canoeing, etc. Less emphasis on shopping. I feel like often the MWR gives away items that are just thrown into the trash (i.e. junk). There is a heavy emphasis for group and team sports (which is great) but there needs to be more emphasis on individual and outdoor "non-consumptive" sports. Because An Jung Ri is very dirty, it does the spirt well to see cleaner places. Also, perhaps MWR could do more for the Korean community - such as clean ups, visiting orphanages, etc... Thank outside the box.

The free movies are GREAT - thank you for that. So are many of the other events. It is obvious that MWR works hard on this base.

Wish we had a leisurely coffee/bakery shop (similar to what Osan has at the Mustang club). Also, I feel there is too much waste on this base. Living in Korea has made me realize more than ever that we need to be good stewards of the environment. I think we use too many plastic bags (everything is double bagged!). Why not offer money back to reuse bags or bring in cloth bags? And there is so much waste at the restaurants (disposable packaging), not to mention, not very many healthy places to eat on base (it is no wonder American soldiers are losing the battle of the the buldge!) We do not practice what we preach. Burger King, Popeye's, Dunkin Donuts, Taco Bell, Mean Gene's (not good food at all), etc... Terrible food choices. Think healthy and vegetarian or alternative options for those of us who do not want to eat meat at every meat. The choices are very difficult.

One other point, I think it would be interesting to have not only language classes (ACS) - historical and cultural classes would be beneficial. Too many of these soldiers seem to not understand why they are even here. They have no idea the long, beautiful history that belongs to Korea and their recent tumultuous past. They are afraid to go anywhere but the other bases. This is a great opportunity, the more people know the more empowered they are to do other things.

Thank you.

The actdivities are run byKoreas who do not undersdtand me. The sports programs are difficult to take part in due to finding out what is going on. The intrest is not directed to the the personnel at this station but to personnel comming here outhter locations. Most funds are used to provide skilled sports folksmwith progrdms guys like me do not have a outlet unless we go down town.
